- 2) Students who withdraw in writing 30 days or more, prior to the start of the program, will be entitled to a refund of the tuition fees. *The \$1000 tuition fee deposit is not refundable.*

A copy of all relevant documentation will be required in order to assess eligibility.

CHANGE OF PROGRAMS / DEFERRALS

Students who wish to change programs or defer intakes must do so in writing a minimum of 30 days prior to the start of class. A \$200 fee will be charged to process the request. Applicants may defer their admission up to a maximum of two (2) times. Subsequent deferrals will be considered new applications and a new application fee will apply. Students who do not confirm their placement or who have not formally requested a deferral 30 days prior to the start of the program may be considered withdrawn and will forfeit their \$1000 tuition fee deposit.

The school board reserves the right to cancel or delay the start of a program for the following reasons:

- Insufficient registrations to start a cohort
- Lack of space

In this case, students will have the choice to wait for the next available intake or will be granted a full refund with the exception of the application fee and/or deferral fee.

Please note, all refunds are in Canadian dollars and for transparency purposes, **will be sent back to the original person and account where the payment was sent from.** The school board does not assume responsibility for the impact of foreign currency exchange, bank fees or related matters outside our control. **All eligible refundable fees will be issued to the same payment method with which fees were paid.** Please consider this when using a credit card for payment, this includes if someone is paying on your behalf.

When a refund requested is received and all required documents and details are included, kindly allow 4-6 weeks for processing. We will notify you if additional information is required.

For any additional information about our payment and refund policy, or if we can improve your experience with our payment methods, please email us at isp@swlauriersb.qc.ca.
