

COMMISSION SCOLAIRE SIR-WILFRID-LAURIER
SIR WILFRID LAURIER SCHOOL BOARD

YOUTH SECTOR STUDENT CONTRACT 2025-2026

Welcome to the **Sir Wilfrid Laurier School Board's International Student Program**. We thank you for your interest in studying with us in Canada. Our goal is to provide our students with a safe, dynamic, enriched and memorable learning experience. While going through the steps to study in a new country can be intimidating and overwhelming, rest assured that our dedicated staff will do everything to make your application process as simple and straightforward as possible.

Please review this document carefully. It contains an outline of all the information you will need in order to register for your upcoming academic program. This document creates a legally binding agreement for participation in the Sir Wilfrid Laurier School Board's International Student Program.

To facilitate your application process, please take note of the following:

- ✓ Students must duly complete all required fields of this online application. They must attach the required documents including this student contract, in pdf format.
- ✓ As a final step throughout the Application process through the My True North Portal, you will have to make the **initial payment of yearly application fees of \$200 CAD**. Please note that if the application is submitted with an expired passport, the initial payment must include an administrative fee of \$1000 (total of \$1,200 CAD for such cases). You will be re-directed to **Flywire**, our online payment platform. Please leave the *invoice #* field blank. We will only verify a student's eligibility and documents once this initial payment has been received. Please allow 5-7 business days for processing. Incomplete applications may cause delays in processing.
- ✓ Upon reception of the payment and **Verification of Eligibility**, we will then send a detailed **Invoice** and **Letter of Acceptance**. Within this letter, there will be direct links to apply for the **Certificate of Acceptance of Quebec (CAQ) and Study Permit (if applicable)**.
- ✓ Students attending our program for under 6 months are only required to obtain a CAQ. Students attending our program for more than 6 months, will require to obtain the CAQ and Study Permit. In any case, it is **strongly recommended to apply for both permits since final duration of studies may change throughout the course of their studies**.
- ✓ It is strongly recommended to **submit applications at least 4-6 months prior** to the start date of the program to ensure receiving the immigration permits on time and to **arrive in Canada at least 2 weeks prior to the beginning of the program** to finalize the registration process. Students must attend their final registration in person with their guardian and all their original documents and have already paid their fees in full in order to finalize registration. **We will request their English Eligibility**. Students will not be able to start without their original documents and permits and before Eligibility is granted.
- ✓ In order for students to receive any **official transcripts** (if applicable), they must hold immigration permits that are valid for the entire length of their studies (CAQ and Study Permit). This is required to apply for a Quebec permanent code which is necessary to receive any official transcripts in the province of Quebec. Please note that short stays are usually considered *cultural* only and even with valid documentation, we cannot guarantee that marks will be awarded for all subjects taken.
- ✓ **Health insurance** is a legal requirement for any international student studying in the province of Quebec. The International Students Program, through their designated insurance provider (Study Insured) provides this service. Health insurance is mandatory for all students and the cost of the insurance will be added to the student's invoice if purchased through our insurance provider.

Thank you for choosing the **International Student Program of Sir Wilfrid Laurier School Board**.
